

## Inheritance Tax

Gifts to UK charities are free from inheritance tax, so every pound you give comes directly to us.

Charitable gifts can also be used to reduce the Inheritance Tax rate payable on larger estates. If the value of your estate is likely to be above the current Inheritance Tax threshold, you may be able to reduce the rate of tax payable from 40% to 36% on the rest of the estate. This can be done by leaving 10% or more of the net value of your estate to charity in your Will.
