

Support throughout central vision loss

Take part in our raffle

You could be our next £7,000 winner!

The Macular Society runs a raffle twice a year in spring and at Christmas. It is a great way to support our work and you have a chance to win an amazing prize at the same time.

If you would like to join in with the fun and receive a book of tickets for our next raffle, please telephone 01264 321 985 or email felicity.h@macularsociety.org to request some of our large print ticket books. Tickets cost £1 each. You can sell the tickets or buy them for yourself. Whoever has the winning tickets wins the prizes - it's as simple as that!

The money we raise from the raffle goes to help us provide information and support to everyone affected by macular conditions, as well as funding ground-breaking research to find a cure.

What would you do as the winner of a £7,000 cash prize?

You could take that holiday of a lifetime or enjoy a special Christmas with family and friends.

If you would like to take part in our next raffle, or would like further information contact Felicity Honnor at felicity.h@macularsociety.org or call 01264 321 985.

Frequently asked questions

If you have any other question, however, please do not hesitate to call 01264 321 985 or email felicity.h@macularsociety.org.

Why does the Macular Society run a raffle programme?

The raffle is an effective way for us to raise money and reach out to a wider audience of potential supporters. Lots of people like to buy a raffle ticket to potentially win a big prize. It's also a great way to raise awareness of the Macular Society and the work we do reaching out to new people who may need our support. By giving away prizes to our winners we have the opportunity to say a heartfelt 'thank you' to generous members and supporters – those of you who make our work possible each and every day.

I want to take part in your next raffle.

If you want to take part in our next raffle, please just contact us on 01264 321 985 or send us an email with your full name and address so that we can add you to the mailing list.

What do I do with my tickets?

Raffle tickets cost £1 each and they are sent out in books of 12 tickets. You can sell your tickets to colleagues, friends and family, but not door-to-door as this is illegal. Please be aware that no-one under the age of 16 is permitted to buy or sell raffle tickets.

How do I complete the raffle ticket stubs?

Please write the purchaser's name and address clearly on each ticket stub, handing them the tear off ticket(s). Please try to add a telephone number as we like to inform our winners of their prize by telephone.

Helpline 0300 3030 111

If you are buying the tickets yourself, please use the stickers on the front of the ticket book. Please sell as many tickets as you are able, and then return your ticket stubs, any unsold tickets and your payment in the freepost envelope provided, by the closing date. Please make your cheque or postal order payable to the 'Macular Society'.

Larger print documents to help you with your payment are available if you call 01264 350 551.

I have forgotten to include my payment or ticket stubs.

If you think that you have forgotten to include your payment, or if there is any problem with processing your tickets, you will receive a letter which will tell you what to do next. In most cases, any problems can be quickly resolved with our team of advisers.

Do you really give away those big prizes?

Yes, we do. Our prizes are guaranteed and someone will always win them – it could be you! Please see the previous winners page for a list of our most recent prize winners.

How can you afford to give away such big prizes?

The prizes come from a small percentage of the profits from the raffle, so are generated from ticket sales and do not use any other income.

Aren't you wasting money by sending me these raffles?

We keep a tight control on our costs, such as the design and printing of packs, to ensure that each pack we send out is low cost and reaches the correct address. Raffles raise a significant amount of money which we will use to support our services, as well as reaching people who might not otherwise know about the Macular Society.

Where is the money I donate to you actually going?

The Macular Society is dedicated to supporting people with macular conditions and to providing a growing range of services to our members and supporters. We operate with a small staff of dedicated people who work extremely hard to care for the members and supporters of the Macular Society; we also have a network of over 1,000 volunteers across the UK. We aim to keep our administration and office function costs to a minimum.

Why have I been sent the raffle?

If you have previously supported us we will send you opportunities to take part in offers that may be of interest. Many people like to support our work by taking part in raffles. We send out raffles regularly so that the kind and generous people who like to support us in this way have the opportunity to do so throughout the year. Of course, we know that not everyone would like to receive raffle packs, so if you would like to receive fewer or none of these mailings, please call 01264 321 985 or contact us by email to have your name removed from our mailing list.

If you have not previously supported us we will occasionally invite selected groups of people to take part in our raffle. We try to find people who are likely to want to take part, but if you have received a pack and don't want to hear from us please call us on 01264 321 985 or contact us by email.

What if I don't want to take part in raffles?

That's fine, just let us know by calling 01264 321 985 or contact us by email, and we will remove your name from the mailing list. If you are able to do so, please return your unused raffle ticket books in the freepost envelope, with a covering note, so that we can cancel them from the draw.

When do the draws take place?

Response dates and draw dates will be printed on each pack and reminder dates will be posted on our website as closing dates approach. A list of the winners will be posted on our website as soon as possible after each draw has been made.

How will I know if I have won a prize?

We will contact all main prize winners as soon as possible after the draw date. For smaller prizes you will receive your prize in the post within 28 days from the draw date. A full list of all prize winners' names and postal towns will be published on our website within 7 days of the draw date.

I'm worried a raffle I have received might be a scam.

Please rest assured that our raffles are not a scam. The prizes on offer are real and are won by real people.

If you are concerned, please follow these simple rules:

- No legitimate company will ever ask you to keep your prize a secret or ask you to pay to receive your prize
- Always check the name of the organisation promoting the prize is on the pack – if you are in any doubt, get in touch, and do not take part until you are satisfied that the prize draw is genuine
- Be cautious of ringing a premium rate telephone number – the cost of the call could be greater than the value of your prize!
- Any fundraising communication should include the charity's registered charity number which you can check on the charity commission website. If the charity is a member of the Fundraising Standards Board, as we are, this should also give you additional reassurance that the charity will adhere to the fundraising promise and strict fundraising standards.

A scam is a criminal offence, and if you think that you have been targeted by a scam please contact the police or trading standards.

I am worried about my gambling.

You can find more information and help in regard to gambling by visiting the GamCare website or by calling 0845 6000 133.

I am still not happy, and want to make a complaint.

If you are not happy about any aspect of the Macular Society's work, including our raffle and prize draw programme, please tell us and we will do our best to put things right. You can contact our Complaints Officer on 01264 321 970.
